2022 年 · Guessing a word in context

01 2022 天津卷 · 原第 42 题改编

Read the new example for the 2022 word question: “Mia remembered her own first day and quietly sat beside the nervous newcomer. That empathy helped the child speak.” What does empathy mean here? Give one clue.

02 GaokaoHub 自编 · 方法训练

“The crowd was restless: people checked the clock and shifted in their seats.” Infer the meaning of restless and give two clues.

03 GaokaoHub 自编 · 迁移练习

A student says empathy simply means being polite. Explain in one sentence why that answer is too broad.
